Join the Massachusetts Department of Transportation (MassDOT) for an

Open House

on the

I-90 Interchange Study

Monday, April 30, 2018

4:30 PM to 7:00 PM

Blandford Town Hall

1 Russell Stage Road, Blandford, MA

MassDOT is hosting an Open House on the Interstate 90 (I-90) Interchange Study. The I-90 Interchange Study is a planning study that will evaluate the feasibility of adding an interchange on I-90 between the existing interchanges located in the Town of Lee and the City of Westfield (Exits 2 and 3, respectively).

The public is encouraged to stop by any time between 4:30 PM and 7:00 PM to learn more about the study and provide feedback. There will be information on the planning process, maps of the Study Area, the criteria for siting an interchange exit, and the project schedule. For more information, visit the study website:
