

MassDOT Highway Division

NEW PRODUCT EVALUATION APPLICATION

This application is for products that are not covered by MassDOT Highway Division's Standard Specifications. MassDOT Highway Division's Standard Specifications may be downloaded at: <http://www.massdot.state.ma.us/highway/DoingBusinessWithUs/ManualsPublicationsForms.aspx#ConstSpecs>.

Products covered by the Standard Specifications should be submitted for inclusion on the 'Qualified List' according to the instructions listed at MassDOT Highway Division web pages: ([Product Submission Instructions](#)).

For products not covered by the Standard Specifications, please return **one** copy of this application and **one** copy of any product literature such as brochures, test data, and Materials Safety Data Sheet to:

John Grieco, P.E.
Director of Research & Materials
MassDOT Highway Division
5 Macadam Road
Hopkinton, MA 01748

Upon receipt, the completed application will be reviewed by the Materials Management Quality Assurance Program Engineer and distributed to the New Product Evaluation Committee for further review. When the committee has reviewed the application, and made a determination, the applicant will be notified as to the results of MassDOT Highway Division's evaluation. The applicant may withdraw their product application from the evaluation process at any time by submitting a written request to the above address.
